Carol Talbot

Carol Talbot is a Certified Trainer of NLP (ABNLP), Accredited Trainer of NLP (ANLP), Master Trainer of Time Line Therapy™ (TLTA), Trainer of Hypnosis (ABH) and recognized as the NLP expert in the Middle East. For as long as she can remember Carol has had a personal passion to help others. Or more correctly, to help people help themselves. What gives Carol a 'buzz' is to make you think differently, and it doesn't stop there; Carol seeks to empower people and work with them to create and enhance their energy within so they get 'fired up' to take action.

Wendy Shaw

A certified Trainer of NLP, Hypnosis & Time Line Therapy™ and member of the International Coach Federation, Wendy is passionate about developing people both as individuals and effective teams. Her experience with work and people management issues common to professionals in positions of authority adds to her skill in helping others navigate leadership, relationship, performance and communication challenges inherent in their roles.

“ Testimonials:

"NLP is a plastic surgery... YES, an internal plastic surgery. It's a soul lifting, eye opening, strength, power and confidence implant procedure! You will see, feel and witness the amazing change inside you. You will almost believe that you are a magician when you make wonders happen. The Matrix NLP program is a life time investment and a great way to reward yourself!"

- Sarah Khalil

"The course is fabulous. I feel I achieved exactly what I wanted to i.e. feel a totally and completely new me and I have been able to feel exactly that. I feel the course has something for everyone who attends – it gives you a larger purpose in life, helps define and clarify things in your head that would otherwise be hazy or unclear and most of all it makes you totally believe in yourself!"

- Nida Humayun, Learning & Development Manager, Standard Chartered Bank

"High quality instructors, comprehensive program material, gorgeous location and these are only some of the many positive experiences you will have when you sign up!"
